SUNDAY NIGHT TENNIS

[[RULES]]

1. Play begins *promptly* at 7 p.m. on each scheduled Sunday. Rainouts will be considered **ONLY** if it is raining **AT THE COURTS** at 7 p.m. We will play under most conditions — temperature, wind, and/or dark clouds are **NOT** factors.
2. Players designated with an asterisk (*) will provide a new can of balls for match play.
3. Players will play three (3) sets, rotating partners after each set.
4. At 6–6, players may opt for a 12-point tie breaker (first team to 7 points; must win by 2 points) or continue regular play until one team wins by two (2) games. Either way, the set will be scored 7–6.
5. Players will receive one (1) point for each game won, **PLUS** one (1) additional point for each set won. Total possible points = 24.

***EXAMPLE: Bubba wins first set 6–4; loses second set 3–6; and wins third in a tie breaker (scored as 7–6).
Bubba’s total score will be $(6 + 1) + 3 + (7 + 1) = 18$.***

6. Players’ final rankings will be based on averaged total points earned during the season. REMEMBER to post your scores after each match!
7. Rainouts will be moved to the end of the schedule (see “Rain Make-up” on front).
8. **EACH PLAYER IS RESPONSIBLE FOR GETTING HIS OWN SUBS.** You **MUST** call players with byes first. If they are not available, you may call one of the subs listed below. Make sure that the designated “ball boy” for your court knows who your sub will be. If *you* are supposed to bring balls, please provide your sub a can of balls or make other arrangements prior to your absence.
9. **NEW: If you or your sub fails to show up**, you will receive zero (0) points. Everyone else on your court will divide 21 points (7 points each) unless they make a concerted effort to find a replacement. If no byes/subs are available, the stranded players will receive 14 points each. **Players with two (2) NO-SHOWS will face immediate ejection from the league.** We are all counting on you.
